BILL NUMBER: HB 1416

BILL AMENDED:

SUBJECT: Child Nonsupport.

FISCAL ANALYST: Sherry Fontaine

PHONE NUMBER: 232-9867

FEDERAL

IMPACT: State

Summary of Legislation: This bill specifies that the enhancement of the crime of nonsupport of a child from a Class D felony to a Class C felony applies when the offender owes child support of less than \$10,000 for any one child, but in the aggregate owes at least \$10,000 in unpaid child support for all children that the offender is obligated to support.

Effective Date: Upon passage.

Explanation of State Expenditures: This bill may result in a greater likelihood of enhancement from a Class D felony to a Class C felony in certain cases involving a failure to pay child support. State expenditures would increase if an offender is incarcerated in a state prison for a longer period of time. A Class D felony is punishable by a prison term ranging between six months to three years or reduction to Class A misdemeanor, depending upon mitigating and aggravating circumstances. A Class C felony is punishable by a prison term ranging from two to eight years. The average expenditure to house an adult offender was \$20,700 in FY 1999. Individual facility expenditures ranged from \$14,936 to \$37,807. (This does not include the cost of new construction.) If offenders can be housed in existing facilities with no additional staff, the average cost for medical care, food, and clothing is approximately \$1,825 annually, or \$5 daily, per prisoner. The average length of stay in Department of Correction (DOC) facilities for all Class C felony offenders is approximately two years.

Explanation of State Revenues: No change would likely occur in state revenue as a result of this bill since criminal fines and court fees are the same for either Class D or C felonies.

Explanation of Local Expenditures:

Explanation of Local Revenues: No additional revenues would be expected since the court fees for Class D and Class C are both \$120.

State Agencies Affected: Department of Correction.

Local Agencies Affected: Trial courts, local law enforcement agencies.
